

He's Not Here!

Mark 16:6

AEC

$\text{♩} = 100$

1. T'was a lost and lone- ly night, We went out to make it right;
2. If you're lost and lone- ly too, I have awe-some news for you;

Got some spic- es and some smells, Wrap Him up so you can't tell.
T'was for you He bled and died, Spent those three long days in- side.

With the tomb just o- pen wide, Westooped down and went in- side;
When the Fa- ther raised the Son, It proved all the work was done;

Glow- ing man be- side His bed- day, And just now heard what he said:
Trust and thank Him now to- day, And go sing- ing on your way!

He's Not Here!

[Chorus]

“He's not here! He's not here! So get up and wipe those tears;

He stayed here for three days, Then He up and walked a-way.

If you real-ly want to see, Head on down to Ga-li-lee;

Those spic-es smell real nice, But He's not here!”
