

*Love is patient,
love is kind.
It does not envy, it
does not boast,
it is not proud.
It is not rude,
it is not self-
seeking, it is not
easily angered,
it keeps no record
of wrongs.
Love does not
delight in evil but
rejoices with the
truth. It always
protects, always
trusts, always hopes,
always perseveres.
Love never fails.*
